EXAMINER'S AMENDMENT

Claim 35 is being cancelled as such depends from cancelled claim 33 and is directed to a different embodiment than is set forth in claim 34. Also, claim 36 is being rewritten as a new claim 42 that depends from claim 34 as the limitation therein further limits the lateral widening which is set forth in claim 34.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ilya Zborovsky on 07 July 2004.

The application has been amended as follows:
